

Shelfspan

making better use of space

www.shelfspan.co.uk

A catering trolley with multiple shelves holding trays of food. The trolley is made of stainless steel and has several shelves. The top shelf is filled with a tray of food, and the shelves below it are also filled with trays of food. The food appears to be a mix of vegetables and meat. The trolley is shown from a side-on perspective, highlighting its depth and the number of shelves.
